

Form 7
GIS APPLICATION USE

Department/Division/Unit: _____

Respondent(s): _____

Enter a GIS application below that your department uses or plans to use along with the status of use (C = Current, P = Planned). Also, enter a priority (H = High, M = Moderate, L = Low) that characterizes its importance for your Department or Division. (Identify the software used (e.g., Oracle, GeoMedia, ARC/INFO, ArcView, Smallworld, MapInfo, etc.) and add any comments to elaborate on your responses. Also, please attach any technical or user documentation that relates to current GIS application use.

GIS Application Name	Use Status (C, P)	Priority (H, M, L)	Software Environment	Comment
